

# Student Evaluation Form

**Please help our students by providing valuable feedback.**

Madawaska Valley Midwives participates in the training of new midwives and believe that your feedback is a valuable addition to their learning process.

Although there is a formal evaluation process with the university, we feel your feedback is important.

Please consider offering your constructive criticism or praise to this anonymous form.

1. Was there a midwifery student involved in your care? Yes  No

2. If yes, please describe the positive aspects of your interactions with the student.
